

Dear Parents,

Creating a strong foundation is a huge part of making teams, players, and programs successful! The Tri-Valley Volleyball team is excited to invite the opportunity for our 5th and 6th grade students to become acquainted to this sport earlier in their educational career. Currently the volleyball program holds a summer camp to instruct young players in the beginning phases of the learning experience of the game. In an effort to continue to meet the needs of our growing program, provide a good competitive edge with area schools and teams, and promote the skill and love for the game we have decided to implement a 5th and 6th grade program at Tri-Valley. If you are interested in coaching or your incoming 5th or 6th grade daughter being part of this program please complete the form below and return to Mrs. Ebert or Mr. McDonald. Please return by **August 15th**.

We encourage a healthy and educational experience for the young children of our school and hope you and your child will thoughtfully consider being part of this program either by coaching or your daughter playing. If we are unable to fill coaching with volunteer parents, the girls may not have an opportunity to participate in this league.

Thank you for your time,
Mrs. Bridget Ebert
