From Mr. Smart:

The traditional African proverb, “It takes a village to raise a child” certainly rings true in the school environment. The village pertains to all stakeholders in the school community and the more involved everyone becomes, the better experience students will have. Please sign up for one of the events below and become involved in the athletic experience. The school years fly by and the additional events below add to the overall athletic experience of your son/daughter. It is also a great place to socialize and interact with other parents – sometimes even borders on FUN! It doesn’t have to be the whole events, but a portion of your time is much appreciated.

Mustang Nation – Just as our student athletes bring their many different talents to the team, so do we as the Booster Club members. We are working to raise funds for the following facility improvements:

- Digital Score Boards in High School Gym
- Wall mats for the ends of the High School Gym
- Pixelot Camera for the Football Field/Track
